

OIX hereby states that

# CDLAN

---

Milano, Italy

has successfully met or exceeded all requirements and conditions put forth for  
**OIX Association's OIX-2 Data Center Certification**

This certification remains effective from first date of certification, October 1,  
2017 and going forth into perpetuity until otherwise cancelled or revoked.

OIX certifies Data Centers and Internet Exchanges that  
meet or exceed community-developed standards.

A handwritten signature in black ink, consisting of a stylized 'G' followed by a horizontal line.
